

'We're Ready To Hurdle Lake Worth Trojans'

"IT WILL TAKE 100% EFFORT of our team to win over the Lake Worth Trojans," Coach Burks said Wednesday, "but our boys looked very good in practice Monday and Tuesday." "We know Lake Worth has a real team and we'll be playing on their field for the second time in a row. We think it will be a rougher game than Vero or Forest Hill but we're going to win."

Pictured above are, center top, Buckley Holt, a junior and starting left half in offense; Hughie Jones, guard and fullback (left plays both offense and defense); Carrie Wall, right, sophomore tackle, has been filling in for Victor Vance who was injured in the first game but will be back in play this Friday night. Center is Skip Fuller, offensive tackle and defensive end.

The Quarterback Club will feed the team and cheerleaders, managers and coaches at the Royal Palm Inn after Friday night's game.

Oct. 5-12

Belle Glade BPW Members Observe National BPW week

Accepting the progressive theme, "THE RESPONSIBILITY OF FULL PARTNERSHIP," adopted by the National Federation of Business and Professional Women's Clubs, the Belle Glade Business and Professional Women's Club has announced its major projects to celebrate National Business Women's Week, October 6 through 12.

First, the ladies will begin the week by attending the church of their choice, in groups or nearly so, possibly this coming Sunday morning. They will then meet at Pelka's Restaurant, South Bay, for a joint luncheon which will include their husbands or invited friends.

Club president Mrs. Gladys Jones announced the occasion will be spotlighted during the week by announcements over Radio Station WSWW.

On Saturday night, October 12, Belle Glade club members will join Pahokee BPW Club in welcoming State President Helen Parades when she stops in Pahokee for dinner October 12.

The State president will begin her state-wide tour in Pensacola October 5, and cover over forty stops in towns throughout the state where she will be greeted and entertained by various club members, climaxing the tour with the Saturday night dinner in Pahokee, October 12.

DCT Program

Well Underway

Under the guidance of Mr. Wayne K. Fortenberry, coordinator, the 1963-64 class of District Cooperative Training (DCT) at Belle Glade Senior High School is off to a very good start.

The officers recently elected to the D. C. T. club are: Nancy Pileas, President; Tony Figueroa, Vice President; Gerri Day Secretary; Bill Tyler, Treasurer; Lynn Broome, Reporter and Historian.

The following is a list of eighteen students, their training agency and types of jobs.

Giese, David, Glades Chevrolet Company, Paint and Body Repair Trainee.

Figueroa, Tony, Glades Chevrolet Company, Auto Sales Trainee.

Mosely, Ronnie, Glades Chevrolet Company, Auto Parts Trainee.

Ponder, Allen, Bennies Auto Parts, Auto Parts Trainee.

Rodgers, Lee, Royals Department Store, Sales Trainee.

Sargent, Ira, Everglades Experimental Station, Lab and Field Assistant.

Spikes, Dale, Pioneer Motor Sales, Auto Parts Trainee.

Tyler, Bill, Bob Davis Buick, Mechanic Trainee.

Weekly, Allen, Everglades Experimental Station, Lab & Field Assistant.

Binkley, Patricia, Bennies Auto Parts, Bookkeeper & Record Keeping.

Broome, Lynn, Everglades Federal Savings and Loan Association, Clerk-Typist.

Burnhardt, Peggy, Diana Shop, (Continued On Page 3)

South Bay City Council

On Thursday evening with Mayor A. R. Grigsby presiding over the regular meeting.

The council passed a resolution concerning Peddlers within the city limits. All peddlers must receive permission from the Chief of Police and must present a Health Certificate, Proper Identification plus other qualifications to be approved.

City Maintenance Supt. Max Harrell received a \$25.00 per month increase in salary.

There was passed the 2nd reading on the Water Bond Ordinance concerning the new treatment water plant.

The City is advertising bids for a tractor mower, all bids to be in by October 10th.

Bids for Phase I of water projects were opened by City Administrator Eggleston.

Read by Mr. Charles Anderson, Engineer with Brockway, Weber and Brockway. The bids ranged from \$48,237.00 to \$66,760.00 but no decision has been made as to which bid will be accepted.

Mr. W. B. Rhodes a CPA has been accepted to audit the city books for the year 1963.

At a recent City Council meeting the budget for 1963 was presented and accepted with \$128,420.00 in the Water Department, with the millage remaining at eight.

And close at 7:00 p. m.; one at the City Hall and one at Eddie's Self-Service Laundry on the Palm Beach Road.

According to the registration books there were 345 white registrants and 231 negroes eligible to vote.

With no opposition, the two councilmen whose terms expire — Grigsby and Warren — are unopposed for their second terms.

South Bay's two polling places will open at 7:00 a. m.

Neither of the drivers was hurt, nor was another year (3) lack of injuries to the three in the Comet substantially to that fact.

The driver and Pierson had sent-belts fastened, and Patrolman Lockwood attributes the collision to three parts (1) the engine, (3) and the entire body behind the fire-wall — and no one is injured seriously, we ask "What Controlling

Authority had a hand in it?" Kruschev is adroit in answering questions — maybe he can answer this one!

No traffic violation was charged to either driver.

Boy Scout Troop Charter Meeting

Slated October 10

A Charter meeting for Boy Scout Troop No. 601 of Belle Glade will be held at St. John's Episcopal Church on Thursday, October 10th at 8 p. m. to begin the 1963-64 Scout year.

Nineteen boys have already registered and any young boy and fourteen interested in joining the Scouts, are requested to attend this meeting with one or both parents attending too, to learn what the Boy Scout organization has to offer their son.

Leaders in Troop No. 601 for the coming year's work include: Fred White, Scoutmaster; Wilbur Minney and Johnny Bass, Assistant Scoutmasters; Committee include: Chairman, R. H. Lewis; Secretary, Dr. Victor Green; Treasurer, E. M. Lively; Advancement, Richard Murray; Outdoorman, Dr. Charles Haines; Quartermaster, Rich and Shoemaker; Institutional Representative, Myron Ludlow.

Fathers of the active Boy Scouts and any one else interested in Scout work are also invited to attend this Charter Review meeting helping to start a good year in Scout work. The boys need your support!

The regular fee of \$1 extra remains the same. However in the last legislative session the prices of tags were raised. For those desiring to reserve the tags, the entire price of the tag must be paid.

Those desiring tag numbers not previously reserved, will have an opportunity to do so starting Nov. 1.

The following are prices of the tags for 1964 and also for 1963 showing additional raise. The tags will be for a 13 month period and will continue at 13 month rate until renewal rate reaches from January until July.

D-Tag — \$14.00 was \$10.50
Plain Tag — \$22.17 was \$15.50
W-Tag — \$30.29 was \$20.50
W-Tag — \$38.42 was \$25.50

Seabelts Helped—

Kruschev Teaches "There's No God"

The three men shown sitting formally, and still bewildered, waiting for someone to come from Miami to pick them up, following an accident on US No. 27, Saturday morning around 8 a. m., are wondering "How did this happen?"

James N. Alsbaugh (right) was driving their two-year old Comet, north on No. 27, when the left rear tire blew, throwing the car out of control, and on to the right grass shoulder. When he had brought the car back into the road, it was headed west.

Ernest F. Cummings 46-year-old white man from 10105 Montego Bay, Miami, was heading home in a Plymouth, and arrived just at the right moment to find the Comet across his lane of traffic and too close to avoid.

The Comet was divided at the fire-wall completely by the Plymouth, with "only the steering column not completely separated at its base, from the front end," according to Highway Patrolman Lockwood, who investigated.

Upper right is shown the three parts of the vehicle, after the collision; the lower pictures show the broken frame on each divided part; The Plymouth, which did the dividing is shown upper left.

Neither of the drivers was hurt, nor was another year (3) lack of injuries to the three in the Comet substantially to that fact.

The driver and Pierson had sent-belts fastened, and Patrolman Lockwood attributes the collision to three parts (1) the engine, (3) and the entire body behind the fire-wall — and no one is injured seriously, we ask "What Controlling

Authority had a hand in it?" Kruschev is adroit in answering questions — maybe he can answer this one!

No traffic violation was charged to either driver.

Williams And Bailey Get Head City Jobs

Commissioner LaBran Williams was chosen as Mayor and Bill Bailey as Vice Mayor in an organization meeting of the new City Commission Tuesday night.

Other city employees were re-elected in similar sessions held at City Judge with Mrs. Jones.

Rams Rampage Forest Hill 18-7

By Dale Milburn
After being held to a tie by Vero Beach last week, Belle Glade came roaring back Friday night with an 18 to 7 victory over pre-season favorite Forest Hill.

Belle Glade's defensive power was evident as each of the Rams' TDs drives were less than 30 yards long. Forest Hill gained 15 yards rushing in the first half and 35 yards in the last half for a total of 50 yards rushing.

Forest Hill won the toss and elected to receive. After two running plays, stopped by the Rams' defensive, the Falcons punted out of bounds on the Forest Hill 27 yard line. Belle Glade's John Causey ran the left side of the line for seven yards.

With 2nd down and 3 yards to go for a 1st down, QB Don Wilkinson pitched out to Charles Thompson who passed 30 yards to Eddie Buckner in the end zone for a TD. The try for the extra point was no good.

Eddie Buckner fumbled on a punt return and the ball fell into the arms of Forest Hill halfback Jim Bowman on the Forest Hill 48 yard line and Bowman sped 32 yards for a TD. The extra point kick was good and Forest Hills led 7 to 0.

The score remained 7 to 0 until the third quarter when:

With Belle Glade leading 12 to 7, Forest Hill began driving near the end of the third quarter and were stopped twice by the Belle Glade defense inside the ten yard line.

In the 4th period Forest Hill fumbled a punt and Ron Haddock recovered for Belle Glade on Forest Hill 23 yard line. Charles Thompson, picking his holes, ran the ball over for a TD, from the 1 yd. line. Eddie Buckner's attempt kick was a little wide to the left.

Eddie Buckner's punting was a great factor in Belle Glade's win. Eddie punted 7 times for an average of 37 yds. Two of his punts were TDs. (Continued On Page 3)

Adult Spanish-English Classes To Meet Tues.

Mrs. Rosa Nash, teacher, announces that those who are signed up for Spanish and English classes in the Adult Education Program will meet next Tuesday night, Oct. 1, at 7 p. m. at the High School.

O'Neal Walker Opposes Davis For Chief Grigsby And Warren With No Opposition

New Dakota Russet Released To Trade

The North Dakota Seed Department and the Experiment Station, cooperating have released to the trade a new Russet potato after three years tests.

Proclaimed as a "good baker, smooth and uniform in size, and grows well on medium to heavy soil. It is early maturing and high yielding, according to reports, and is officially designated as RD 11P-2."

Jr.-Sr. PTA Slates Important Meeting Monday Nite Oct. 7

The Junior-Senior PTA has scheduled a very important program for the meeting Monday, Oct. 7 at the high school cafeteria at 8 p. m.

Members of the Palm Beach County School Board will form a panel to discuss "School Finances" in relation to the upcoming millage. This is most important to parents and everyone is urged to attend. Questions on the subject will be answered by members of the panel.

With 50 additional registrants there are now 593 qualified voters in the election next Tuesday, with one contested race: that for the position of Chief of Police held by Marvin Davis.

O'Neal Walker has entered against Chief Davis.

The two councilmen whose terms expire — Grigsby and Warren — are unopposed for their second terms.

South Bay's two polling places will open at 7:00 a. m.

UNCLE DAN from DOOLIE says:

Dear Mister Editor:

I see by the papers where 1964 will be a busy year for the post offices in the nation. This item says they'll be 24 U. S. Senators and 435 House members running for re-election and they'll mail free approximately 25 million pieces of political mail to their constituents. They just have it voted to the post office and postmaster all over the country but of each it goes to ever "patron" on the rural routes, city routes and to them having boxes. It will cost the taxpayers, this item says, \$1,500,000 to handle this political mail. Of course, in these days and times a million and a half dollars is peanuts to the folks back home paying the bill, but they were one angle to this news item that bothers me. How come then Congressmen don't make the Washington post office come after this mail instead of taking it themselves?

And I was reading another interesting piece from the General Service Administration that was dealing in orbit tigers. This Government agency says the United States has around 3 billion documents that is classified as secret and confidential. It was pointed out that this means we got at least one secret document for every man, woman, and child in the world. These so-called secret documents are to be kept in special spy-proof cabinets and the General Service Administration estimated it will cost \$12 million in the

Time — And Belle Glade — Marches On!

Back in '27, before the '28 hurricane, Hubie Boree began a building to house his filling station, approximately where the two men are seen at the left of the picture.

Following the Hurricane of '28, Hubie added on to the small building and, eventually, he taxpayers for a store which he operated for a number of years on the first floor.

Later Hubie added quarters on the second floor and lived there even after he rented the downstairs for other business.

Just about the time Hubie started the building there wasn't any doctor in the Belle Glade neighborhood — the nearest one was in Pahokee.

Just before the hurricane Dr. Wm. J. Buck began practice in the Glades with headquarters in Belle Glade, and later Dr. Simmons and Dr. White located here.

Now Belle Glade has eight or nine practitioners of the medical profession, and one more — Dr. Roy Brown and associates — has bought Hubie's property for expansion of their facilities — offices and parking.

In '31 Kilgore's and the bakery shop just south of it were the only buildings on the west side of South Main Street, after Lawrence Willis' filling station, on the corner of Avenue B. The Glades has become sweet, and is getting sweeter — and old landmarks are giving away to those who come to serve the "sweet folks" of the Glades.

There's SUGAR about, and real estate is becoming impregnated.

STYLE LEADER — Heading Pontiac's parade of 1964 cars is this Grand Prix sports coupe above. With its "over and under" headlamps and new rectangular front parking and turn signal lamps, the Grand Prix commands immediate attention. From every angle the Grand Prix uses its clean lines to suggest a longer, lower, wider look. The profile is highlighted by a thin roof line and large concave rear window. Floor console, bucket seats and special instrument panel treatment add a sports car flair. The 1964 Pontiac Catalina four-door sedan below is completely restyled while retaining a strong Pontiac identity. In addition to new styling, colors and interiors, the 1964 Pontiacs feature a wide range of high-performance V-8 engines, improved suspension systems and a complete group of accessories for added safety and comfort. Other Catalina models are a two-door sedan, a two-door sports coupe, a four-door hardtop, a convertible and six and nine-passenger station wagons.

Badcock Leads Handicap League

Badcock Furniture Company swept four points from Echols Plumbing to capture lead in The Badcock Furniture Handicap League Thursday nights at 9:00 p. m. A. Duda and Sons also won four points by defeating Anderson's Gulf Service. McKee, bowling for A. Duda & Sons also contributed a 203 game to help the cause. Anderson's beat Everglades Federal Savings and Loan Association three points despite Ed Culbertson's 418. 2. Wade Angel Brothers threw in a 209 for his team to help win the 3 points. Carithers Radio and T. V. of Clewiston trimmed 3 points from Doug's Barbers with Tommy Carithers leading the way with a 209.41. Geneva's Drive-In was the only other team to win 3 points by defeating Lindsey Lumber. Conservator, Slim C. Nees, bowling for Lindsey Lumber was the bowler of the week, bowling 88 pins over his average. Mullen's Office Supply and Connell's Gulf Station tied at 2-2. Lucky Butch Luce had a 209 game for Mullen's and Frank Cochran had a 208 for Connell's Gulf Station. Roman's Crop Dusting Service and Richmond Plumbing also tied at 2-2. Benny Richmond had a 203 and Jerry Gummere had a 201 for Richmond Plumbing.

Doug Moyer threw in a little extra something for the bowlers to shoot at. Each week the

bowlers bowling the highest individual game wins one free hair cut, compliments of Doug's City Barbers. Ed Culbertson was the first bowler with a fine 210.

U. S. No. 27 four-laning is on the way. The roadbed is apparently prepared and partly asphalted to Bare Beach pumpout.

Mucking operation - taking the muck down to rock - has progressed to Lake Harbor. Mucking has been begun between Lake Harbor and South Bay.

UPPER - Four lanes of road-bed are shown with the south lane of the north two asphalted.

LOWER: The muck has been taken out to the Miami Canal at Lake Harbor.

THANK YOU
The family of Edward C. Miller wish to offer our humble gratitude to the entire community for the prayers, service, thoughtfulness, friendship, love, charity, time, and comfort given to us and our loved one in these past many months of his illness and more recently at the time of his death.

"We can find no words to say the things to you that are in

our hearts. You have made us feel that we are at home here in the Glades, even though we are newcomers. Each of you in your own way has given us so much. A few words on paper cannot possibly express our gratitude. We offer this prayer for all of you, in hopes that you may in some way know what you mean to us.

May God bless and keep you all in his infinite mercy. We give each of you health, wisdom, and happiness at the days of your life, and bless you for your loving hearts.

Mrs. Wilma Miller
South Bay, Florida

Lions Club Light

Bull Sale Oct. 10

Belle Glades Lions Club sale will be held Thursday night, Oct. 10 from 6:30 to 9 p. m. Slogan of this year's drive is "Buy a Light and Save a Sight" and each purchaser will be sharing in community service activities which benefit from the sales proceeds.

Lions Industries at West Palm Beach have completed packing of 18,000 packages to be sold by 19 Lions Club in Palm Beach County.

George R. Talley is light bulb chairman. All clubs in the Glades area are participating.

Beverage Director

Chastises Bars

In Dade County

State Beverage Director Richard B. Keating has ordered 23 beverage licenses in Dade County and seven in Broward County to be suspended for 30 days.

The move followed a similar action only a few days earlier when the Director notified 34 other beverage dealers in this area that administrative action was pending against their license.

Contrary to popular belief, the mortality rate from an Indian cobra bite, when properly treated, is only ten percent, according to Ross Allen, of Florida's Silver Springs.

Rams Rampage Over

(Continued From Page 1)

punts were for 57 and 58 yards. Roy Hayes played a fine defensive ball game for the Rams. Roy broke through to stop the Forest Hill QB for an 80 yard loss when the Falcons drove to the Belle Glade 8 yd. line in the fourth quarter and he also intercepted a pass and made a fine run-back in the closing minutes of the ball game.

Charles Thompson gained a total of 53 yards on 17 trips and John Causey carried 8 times for 31 yards.

Changes made by Coach Burke in order to give his offensive more breathing time in this Friday's game will be that Jones starting at middle linebacker, replacing John Causey, the offensive right half back. Another change will be Don Wilkinson at defensive left half back in place of Charles Thompson. Also Albert Kruse will start as offensive split-end replacing Tim Hill, who received a bruised hip against Forest Hill Friday night. Timing will be defensive right half back.

Arce Salvador, middle guard Vic Jones, right tackle and Dewey Jones, will return to the Rams starting positions on the Rams defensive team. All three missed last Friday night's game. Vance and Salvador had not recovered from injuries they received the previous week against Vero Beach.

Don Wilkinson was Coach Burke's choice as the unsung hero in Friday night's victory over Forest Hill. Ron, a senior, plays offensive guard weighing only 145 lbs. He also plays some as linebacker on defense. Ron Halbrook's recovery of a fumble in the fourth quarter, led the Rams to their third and game clinching TD.

Gary Walker, has been moved up to the A varsity after being very impressive as a runner in the B team first two games.

Dove Hunters "Go" Oct. 5 In Florida

Florida's dove hunters will take the field at 12:00 noon Saturday, October 5, when the first phase of the 1963 migratory dove hunting season opens in 63 counties, according to A. D. Aldrich, director, Game and Fresh Water Fish Commission. Hunting will be allowed every day from 12:00 noon until sunset through November 3 in most counties. Counties in which dove hunting will not be allowed are Glades, DeSoto, Manatee, Hendry and that portion of Franklin County known as Alligator Point.

Dove hunters will be allowed a daily bag limit of 10, with a total possession limit of 20. Hunters must possess valid hunting licenses, available from all County Judges. Shotgunners must be plugged to three-shots capacity, and rifles are prohibited for taking migratory birds. Duck stamps are not required for taking doves, but will be required to take ducks and geese when the waterfowl season opens.

Aldrich said "there will be strict patrolling on early dove and marsh-bird shooting by both Federal and State law enforcement officers to see that all regulations are enforced. We urge all hunters to abide by all hunting regulations and to hunt safely at all times. Hunters should remember that when the hunt on the lands of another person, they are guests. Respect the owner's rights and property. Good manners keep down posters which keep you out."

Oral Cancer Study In Miami Beach

A special conference on oral cancer is being arranged to accommodate more than five hundred members of the dental and medical professions in Florida and adjoining southeastern states. The meeting will be held at the Fontainebleau Hotel, Miami Beach, starting at 8:00 a. m. Tuesday, October 8.

The special conference has been planned to bring to dentists and physicians, latest information which deals with early recognition and detection of oral cancers.

Eight prominent authorities from various parts of the country, along with one from England, are scheduled to appear on the technical program and present special reports and scientific papers.

The conference is being presented by the American Society of Oral Surgeons and the Florida Division of the American Cancer Society in conjunction with the National Institute of Dental Research.

There is no registration fee, but advance notification of intention to attend the convention should be made by sending name and address to: Conference on Oral Cancer, 201 W. Platt Street, Tampa 6, Florida.

KATHLEEN LIVINGSTON, Church Editor

World-Wide Communion Observance Set Sunday At Methodist Church

On this coming World-wide Communion Sunday — October 6 — why not make a few resolutions in keeping with the spirit which unites Christians? 1. To give more of yourself to those who need your service and your love; 2. To give more of your hands in order that others may be relieved of suffering or hunger; 3. At all times to be compassionate, remembering Christ's love was of this origin, and that he gave himself for us.

The unity found in World-wide Communion is not solely one of partaking it is also a unity of SHARING. Offerings received at Holy Communion services have long been given to the destitute, the homeless, the sick, the outcast. Special offerings received in Methodist churches on World-wide Communion Sunday are directed in similar avenues, toward compassionate causes: 50 percent to MCOB for refugees and emergency relief, and 50 percent to be divided equally between the Commission on Camp Activities and the Commission on Chaplains. The programs of these two agencies are geared to ministries to youth serving in the Armed Forces. Both are dependent on these offerings for carrying on their work. The three agencies, grouped together, are known as the Fellowship of Suffering Service. Make your World-wide Communion observance this year mean more, achieving a oneness in Christ through SHARING as well as RECEIVING.

District President Speaks To WSCS

The guest speaker at the September meeting of the Women's Society of Christian Service of the Woman's Society, Mrs. Amanda Jernigan, who is the District President of the Woman's Society, Mrs. Jernigan stated that the Woman's Society is like a lighthouse — its purpose is to send the true light over the world. The foundation of the lighthouse is the Spiritual Life, and the individual members of the Society are the stones, helping to lift the light up high so that its beams will reach to all the far places.

The center of interest at the meeting was a 6 ft. tall light house, complete with revolving light, which carried out the theme of the program.

Mrs. J. A. Ponder gave the devotional message.

Mrs. Robert Abel, president, presided over the business meeting. The Woman's Society will be in charge of a covered dish dinner which will precede the First Quarterly Conference of the Church on Wednesday evening, November 23. Members were reminded that the Week of the Call to Prayer and Self-denial is October 23-31 and that Quiet Day will be observed in the Chapel on October 25, from 10 a. m. to noon.

East Coast

Deanery Meeting At Boca Raton

The first of five fall deanery meetings of the Miami Diocese of Catholic Women will be held in Boca Raton on October 9th and 10th. The East Coast deanery at the Boca Raton Sun & Surf Club. Mrs. Ralph A. Quick, Jr., of Boynton Beach, President of the East Coast Deanery, will preside.

The women of St. Joan of Arc Guild will be hostesses, and plans for the day include Registration and Coffee at 9 a. m. with the morning session starting promptly at 9:30. Principal Speakers of the day, well-qualified to speak on the moral implications involved in the Planned Parenthood Movement, will be Reverend Father Raymond Scully, of St. Jerome Parish, Miami, and Dr. Bernard F. O'Hara of West Palm Beach. Panel discussion will follow the talks.

According to Mrs. Quick, non-Mass will be celebrated by the host pastor, Father Paul Manning. Luncheon will follow at 1 p. m. with Father Cyril Schweinberg, C. P. of Our Lady of Florida Monastery and President of the House in North Palm Beach, as guest speaker.

The following committee chairmen will discuss their endeavors, Mrs. C. C. Meek, West Palm Beach, Parliamentary Procedure, Mrs. Julius Demske, Lake Park, Organization and Development, Mrs. N. Michael Kuras, Boca Raton, Foreign Relief.

All women of the East Coast Deanery which serves from Vero Beach to Delray, including Belle Glade and Pahokee are reminded to contact Mrs. Walter Cornell, Chairman of Reservations at Boca Raton, by the deadline Oct. 6.

Sermon Topics

PRESBYTERIAN CHURCH - Holy Communion 11 a. m. Communion meditation: "The Greatest Thing In Your Life."

CHURCH OF CHRIST - A. M. Service: "They Crucified Him." Evening: "The Model Prayer." Harry Darrow, Jr. evangelist.

STRENGTH FOR YOUR DAYS

We, who are many, are one body in Christ — (Rom. 12:5).

By the light of the living Christ we behold our kinship with all men and are healed of our antagonisms and misunderstandings. We greet and bless the Christ in others, and they respond.

Page 4 THE HERALD, Belle Glade, Florida OCT. 3, 1963

Presbyterians Will Observe Holy Communion

The Celebration of the Sacrament of Holy Communion will be observed at the Everglades Presbyterian Church this Sunday as the officers and congregation begin the second week of the "loyalty" season. This second in a series of six special services in the life and worship of the congregation will see the people come to the table of their Lord as Christians through out the world partake of the same Sacrament in the annual World-Wide Communion celebration.

The six week "loyalty" season was begun last Sunday with a Homecoming-Rally Day celebration. The many members of the congregation and their friends who joined in the worship witnessed the ordination and installation of Mr. Urban Felsing and Mrs. David Motes to the office of Ruling Elder. These men were set apart to this office in the church by the traditional laying on of hands and prayer. The ceremony was conducted by the minister and members of the church's ruling body, the session. The Session is now composed of: Mr. Charles Crichtfield, clerk; Mr. Robert Roadman, Mrs. Robert Lanier; Mr. Cecil McClure; and the two incumbents.

Other special observances in this series will include Layman's Sunday on October 20, Reformation Sunday on October 27 and on November 3, the celebration of the sixteenth anniversary of the founding of the church. All persons of the Presbyterians persuasion and their friends are invited to these services.

Joy And Star Circles Meet With Mrs. Boland

The Joy and Star Circles of the W. S. C. S. of Community Methodist Church met at the home of Mrs. W. R. Boland for the September meeting. Mrs. Jim Wierwille was in charge of the program for the evening, which was entitled, "The Role of the Woman in the Local Church." Each Circle discussed plans for programs and projects for the coming year.

Banquet Scheduled At S. Bay Baptist

The First Baptist Church of South Bay to have Sunday School Teachers and Officers Banquet on Monday evening at 7:30 p. m. with Rev. Lawrence Stewart, pastor of the Canal Point Baptist Church as guest speaker.

There are more than 50 workers within the Sunday School and it is desired that at least this number will take advantage of this opportunity to be present.

HOW CHRISTIAN SCIENCE HEALS

"FINDING FREEDOM FROM ALCOHOLISM"

WYMA 800 E. C. Sunday 12:45 p. m.

WHY DOES GOD CARE?

We are so tiny in the vastness of space, so drab in the grandeur of nature. Why does God care about each one of us?

This question has always plagued the mind of man. It will probably never be completely answered to his satisfaction until he sees and believes the evidence of man's importance to God: *Thou hast made him a little lower than the angels.*

It remained for Jesus Christ to reveal the love of God. Sunday — World Communion Day — Christians will unite in the sacrament which is their richest experience of the glory and honor God has given.

The world over, men will rejoice in the Divine Love, so far-reaching, that God gave His Son for humanity.

Success car, '64 edition...

plus a whole new kind of Pontiac.

If you've been buying the same low-priced car time after time, get ready to break the habit.

And this is the habit-breaker—the '64 Pontiac Tempest. (If it were any more of a Pontiac, you couldn't tell it from our other one.) Anything new? Practically everything, that's all. A thrifty new in-line 6 cylinder engine, a longer, roomier body topping a

wider Wide-Track, bigger brakes, a smoother and quieter ride, precise new steering, a new frame and assorted mechanical marvels. There's even an extra-cost 4-speed gearbox for the 6 or extra-cost V-8's. And most of all, very, very handsome Pontiac-style styling.

inside and out. There are nine new Tempest and Le Mans models for 1964. So now your only problem is, which one to choose? And that shouldn't be much of a problem. Not with your Pontiac dealer so willing to help.

Before making the landing at sea, he practiced on an airstrip ashore which was marked to simulate the restricted areas of a flight deck.

Upon completing the qualifications, flight students are qualified to enter more advanced phases of training.

Dick Burns Named To Post Adjutant Replacing Hearn

Commander Jack Rashley, Everglades Post No. 20, American Legion announces the appointment of Richard H. "Dick" Burns as Post Adjutant. In announcing the appointment of Burns, Commander Rashley praised the efforts of Bill Hearn, whom Burns will replace in this important post.

Former Adjutant Hearn will relocate to the Post Headquarters, Florida area within the next few weeks where he will be working for the Telephone Company for whom he has worked for many years.

New Post Adjutant Burns is a native of Massachusetts and a Veteran of the Korean war, serving 18 months in Korea with the 7th U. S. Division Co. C 31st Infantry Regiment. Burns also served with the 400th Engineer Brigade Task Force Zebra as

evening to the First Baptist Church in Moore Haven to represent First Baptist Church in South Bay at the Association Executive meeting.

Page 2 - THE HERALD, Belle Glade, Florida, OCT. 3, 1963

Buick Special Is Bigger In 1964

Three inches have been added to the wheelbase and almost a foot to the length of the all-new Buick Special for 1964, which for the first time is built on a solid steel frame. The Special is not only longer, but is also wider, roomier and has more door space for easier entrance and exit. An improved new V-8 engine with displacement increased to 225 cubic inches is standard equipment. Options include the new Super Turbine 300 torque converter transmission; the four-speed synchromesh transmission; and also the new 300 cubic inch displacement aluminum V-8 engine. Styling highlights include curved glass in side and rear windows.

Pixie 4-Hers Plan For Halloween Party

The Belle Glade Pixies met in the yard of their leader, Mrs. an aid man, Adjutant Burns is married and has 3 sons. His wife, former Peggy Jean Croft Burns, is employed by the law firm of Allen, Jones and Mathews of Belle Glade, Florida.

C. L. Lee for an outdoor meeting.

Plans were made for October meetings including a Halloween party. The girls learned the 4-H pledge, the motto and the colors and what they stood for.

Mrs. Lee explained some of the projects, the making of project books and awards. Members brought their skirts

and showed how much they had completed and four members reported they had finished their skirts. Refreshments of orange punch and chocolate cup cakes were served.

Everybody out of the rut ...the '64 Buicks are here!

Our happiest problem for '64 was: how to beat a winner? According to thousands of owners, the 1963 Buicks just about had it made in all departments. But—when your name is Buick—you just don't rest on your laurels. You keep pushing to make a great car greater.

So... the '64 Buicks are new—but new. New

engines, V-6 or V-8 (you'll like their new gas economy), new, smoother, extra-cost option, Super Turbine Transmissions (and when, but Buick, would build in an altitude compensator?). Youngest looking Buicks driving in slow motion. Visit a showroom, sit in any one of the new Buicks, and practice this short essay: "My Buick." Sounds good, doesn't it?

SEE YOUR LOCAL AUTHORIZED BUICK DEALER. AUTHORIZED BUICK DEALERS IN THIS AREA:

...above all, they're BUICKS!

Rams vs. Trojans

The Rams will meet the Lake Worth Trojans tomorrow night on Lake Worth's field.

The general opinion is that the Rams will beat the Trojans if the boys play to the best of their ability. Student and team spirit will also be a vital factor in deciding the victor.

Lake Worth has a good team with a lot of speed in the line and the back field. In beating Palm Beach on the twenty-first Lake Worth showed strong passing attack.

Coch Burke says playing on Lake Worth's field will be to the Trojans' advantage although we played on their field last year and won.

The boys will have to play a little harder but the coaches sincerely feel we can beat Lake Worth!

Student Council

Roll Call

Newly elected Student Council representatives and the Council officers met for the first time this year on Tuesday, September 24. The regular meeting date for the year was decided to be every other Tuesday. A membership roll was made which contains 31 names: Lois Collins.

Those elected from the eighth grade are Gus Roberts, Jodie Averill, Pat McDonald, Douglas Wedgworth, Brenda Webster, Lois Collins and Jim.

Representing the five home rooms of the ninth grade are Pat Weathers, Lara Livingston, Jo Ellen Hudspeth, Ronnie Smith and Jimmy Altman.

The tenth grade chose Jimmy Johnson, Jimmy Jackson, Mary Kate Ponder, Riley Foster, and Patricia Williams.

Junior Class representatives are Janet Crichfield, Janet Hoad, Darlene Dupere, and Linda Long.

Seniors elected John Causey, Dick Willis, and Victor Veen to the council from the three classes.

The officers who were elected last year, are President, Ned Walker; vice-president, Mickey McKee; secretary, Susanna Wieringo; treasurer, Larry Brown.

There is so much good in the world of us and so much bad in the best of us that it is hard to tell which of us ought to reform the rest of us.

Wanted:
School Spirit

School spirit is a very important factor in having a winning team. A team which does not have the entire student body behind it will not have a very successful season. Although the team is an exceptionally good one, it will lose its purpose and drive unless it has school support.

It is our duty and privilege as a student body to show the team that we feel they are as good or better than any team that Belle Glade has ever had. Posters, lung power at pep rallies, and attendance at games, are just a few of the many ways to show our team that we are proud of them and we are behind them 100 per cent.

Although we have had good sport so far, it is not near as good as it could or should be to show our team that we think they are the greatest! Since we all think our team is the best, let's prove to them we think so by showing some of the best all-important school spirit. Please!

Gossiping Gandy

John B. what time did you come home Saturday night or should we say Sunday morning?

We are all glad to see you. We're W. back in school.

Nell W. seems to be playing the lover, now days. How about it, L. L.

Kathy B. and Michael S. seem to be hitting it off pretty well. Is this true Kathy?

Who is the new Cleopatra in school? Could it be Pat L. Assembly programs will be more effective if all the students will be a little quieter. Right eighth grade.

We wonder what the boys think of the new high waist line dresses. Are the comments favorable or unfavorable?

Some of the students seem to be forgetting about the discipline of the school. Let's try to make better use of them!

Some unfamiliar two-somes seen around school are Susie R. Bryant D., Doraime F. and Dick W. Sherry K., and Eddie R. and Anne W. and John S.

Rams Win!

Belle Glade High won their first home game of the season by upsetting Forest Hill 18-7. This was the second loss for the pre-season champs favorites.

On the third play of the game Forest Hill punted to their own 28. Three plays later, Charles Thompson passed 20 yards to Eddie Buckner for the first Belle Glade score.

It was on a freak fumble play that the high flying Falcons made their only score. Jim Bowman grabbed the fumble and raced 52 yards for the touch down. The only successful conversion was made by Forest Hill.

Ron Halbrook recovered a fumble in the third quarter and on the next play Charles Thompson made another Belle Glade touchdown.

Mid way of the fourth quarter Belle Glade had the ball on the Forest Hill 23. After six straight plays, Charles went over from the one yard line to score Belle Glade's third touchdown.

The afternoon of the game a pep rally was held and five Forest Hill students were the special guests. The students talked about the game and the two Forest Hill cheerleaders presented a cheer. After the pep assembly, students gathered in cars to form a car parade.

The first car had Belle Glade and Forest Hill cheerleaders as its occupants. In the second car were our student council president and Forest Hill student council leaders. The police escorted the parade through Belle Glade and back to the school.

A victory dance was sponsored by the Library Club and proved to be very successful.

A school girl cautiously leaps from the stilted porch into the small room covered dugout awaiting her. Today she will not be riding Oscar, her pig alligator, for he is urgently needed to fetch fish and water fowl for the family's survival. Perhaps tomorrow he will be free to float her across the watery Everglades to school—that is, if she is free to attend school at all tomorrow. There is always the possibility of course, that she will have to join older members of the family in the bean fields. There they will barely eke out a living. There will not be shoes this year. But if the weather becomes too severe, Pat will piece together crude leather to protect already calloused feet. Since most citizens of the Everglades wear no shoes, going without them should not cause alarm.

Thus goes the story of the Everglades as told in jest by students who live here. What the storytellers frequently fail to realize is that the story falls upon the ears of the gullible, the naive, the ingenuous, and the ignorant. It lives; it grows; it moves on. And our Everglades becomes known as a land unfit for habitation, a land filled with marsh rats and alligators, a land to be avoided like bubonic plague.

While we split our side laughing at the ignorance of the listener, he is already spreading the rumor that becomes a blight to our reputation. It is high time, then, that we stopped our horselaughing and our telling of tall tales and told the world the truth about our land of black gold, our land of average Americans, our land of progress and natural beauty. It is time we mentioned our flat verdure spotted with exotic hibiscus, multicolored crotons, and spicy Australian pines. It is time we disclosed that we have excellent schools, well trained teachers, and scholastic-minded students. It is high time we acquainted our less well-informed listeners of the good qualities of the Everglades.

If we remember that every one of us is a link in the greater chain, we might give ourselves a self-analysis: Is our Everglades a better place for our having been one of its citizens?

Tough Enough!

Since it is the rainy season, the big-fad is different varieties of raincoats. The one pictured above is imitation calf-skin of Avisco Rayon. The separate cap is of the same material. High boots are also high fashion this year. These boots are of white smooth leather. The raincoat which is brown and white covers a straight brown suede shirt. Although this attire is most appealing we hope we won't have to be wearing it too much longer.

Stop That Rumor, Please!

By Nedra Hill

A school girl cautiously leaps from the stilted porch into the small room covered dugout awaiting her. Today she will not be riding Oscar, her pig alligator, for he is urgently needed to fetch fish and water fowl for the family's survival. Perhaps tomorrow he will be free to float her across the watery Everglades to school—that is, if she is free to attend school at all tomorrow. There is always the possibility of course, that she will have to join older members of the family in the bean fields. There they will barely eke out a living. There will not be shoes this year. But if the weather becomes too severe, Pat will piece together crude leather to protect already calloused feet. Since most citizens of the Everglades wear no shoes, going without them should not cause alarm.

Thus goes the story of the Everglades as told in jest by students who live here. What the storytellers frequently fail to realize is that the story falls upon the ears of the gullible, the naive, the ingenuous, and the ignorant. It lives; it grows; it moves on. And our Everglades becomes known as a land unfit for habitation, a land filled with marsh rats and alligators, a land to be avoided like bubonic plague.

While we split our side laughing at the ignorance of the listener, he is already spreading the rumor that becomes a blight to our reputation. It is high time, then, that we stopped our horselaughing and our telling of tall tales and told the world the truth about our land of black gold, our land of average Americans, our land of progress and natural beauty. It is time we mentioned our flat verdure spotted with exotic hibiscus, multicolored crotons, and spicy Australian pines. It is time we disclosed that we have excellent schools, well trained teachers, and scholastic-minded students. Current Around Campus

1. Q. How can you tell if an elephant has been in the refrigerator?

A. His fingerprints will be on the cheeseburger.

2. Q. What is black, very vicious, and sits on tree limbs?

A. A crow with a machine gun.

3. Q. Why did the elephant jump across the lake?

A. He didn't want to hurt the fish.

4. Q. Why did the elephant wear his polka dotted socks?

A. Because someone stole his tennis shoes.

5. Q. Why don't more elephants go to college?

A. Not that many finish high school.

6. Q. Why did the little moron put his Daddy in the refrigerator?

A. He wanted a cool pop.

Quotable Quotes

A word of advice: Don't give it.

Conscience: Something that feels terrible when everything else feels swell.

The madison, Wisconsin, CAPITAL TIMES printed these headlines side by side: "33 Roosters Stolen at Town of Oregon Farm." "Socialist Club to Hold Chicken Supper."

Few people can stand prosperity. Another man's I mean. One of the greatest labor saving inventions of today is tomorrow.

Some cause happiness wherever they go, other whenever they go.

You have become a mature person when keeping a secret gives you more satisfaction than passing it along.

10 Commandments Of Sports

1. Do not quit.

2. Do not alibi.

3. Do not gloat over winning.

4. Do not sulk over losing.

5. Do not ask odds you are unwilling to give.

6. Do not take unfair advantages.

7. Always be willing to give the opponent the benefit of the doubt.

8. Do not underestimate the opponent or overestimate yourself.

9. Remember the game is the thing and who thinks otherwise is not a true sports man.

10. Honor the game played. He who plays the game straight and hard, wins, even when the scoreboard says he loses.

First General Assembly

A general assembly conducted by Neil Walker, student council president, was presented in the gym, Monday, Sept. 23. Neil read the regulations for school dress and asked all the students to be more conscientious in their choice of wearing apparel. Ron Halbrook, chairman of the cafeteria committee presented the new cafeteria rules and privileges for students. Charles Thompson gave the background of the trophy case left to the school by the class of '60. He also gave the proper etiquette for caring for the mosaic presented by the class of '62 and he told about the plans to build a patio on the west side of the cafeteria. The patio was the project of the class of '63.

Mr. Morris congratulated the students on their good work for the first weeks of school. A new program for increasing attendance will go into effect this week, the class with the best daily attendance will receive special recognition. If the present enthusiasm of the students remains throughout the year the school will have a record to be proud of!

I never like to spend more than 25¢ for a get-well card unless I'm sure there's no hope.

Wayne Fortenberry Elected CTA Treas.

Mr. Fortenberry, who has been teaching here for eleven years, was elected treasurer of the Palm Beach County Classroom Teachers Association at its last board of directors meeting at Palm Beach Junior College, August 24.

As Diversified Cooperative Training Teacher-coordinator for the last five years, Mr. Fortenberry is well known among residents and students at Belle Glade. He teaches students the principles of the commercial world, which they practice through on the job training. He also assists students in obtaining these jobs.

Remember when:

we registered for the first grade
we used to color pictures
we used to have a rest period
we stood in line for polio shots
we gave plays
we learned how to write
we were Girl and Boy Scouts
we had Christmas and Easter parties
we had arts and crafts
we had a play period
we danced the May Pole
each class had library assistants
we used to go on trips with the Jr. Red Cross
we could be tardy and not have detention
we had art shows
every class had a music period
we dressed up for Halloween
the F. H. A. girls were initiated
we would join any club to get our picture in the annual
the girls giggled over the boys
the boys swore off the girls
the girls had slumber parties

Electives— What Are They?

What is an elective course? Why do students always look forward to choosing their own courses?

From the first grade through the eighth, students have been placed before them a set schedule. That is, they are given no choice of subjects. This is not too important in elementary school, but when one gets into the junior high program he feels as if he is "Bite" enough to pick some of his own classes; but not until he reaches the ninth grade will he have this privilege. Then, he will only be allowed to choose one.

Band, Glee Club, Art, Mechanical Drawing, and Speech are just a few of the electives offered. Any subject not required for graduation is considered elective. Some of these are taken for interest or entertainment. If passed, these subjects count one credit. Mr. Stevens, our band director has fifth period Glee Club. This is known as the senior Glee Club and is completely female! Art takes up most of Mrs. Earwood's day and one can be sure they'll learn something or leave. Mr. Ward takes charge in the Mechanical Drawing and Industrial Arts departments.

One must remember that these electives are not crisp courses. They make up the everyday schedule of any high school student and some are rather difficult, depending upon the individual and his studies.

Lotta Problems

Dear Lotta,
I go steady with a star player on the football team. He practices everyday and studies his plays every night. He never has any time for me, and I can't date other boys, because we are going steady. Don't tell me to break-up with him, because he loves me and I don't want to hurt him. What can I do?

Tied Down

Dear Tied Down,
Wait till he kicks off.

Dear Lotta,
I'm fairly attractive, and I'm snowed over by a boy on the football team. He's more interested in football than girls, because he doesn't date. How can I get him to notice me?

Snowed

Dear Snowed,
How are you at tackling?

Dear Lotta,
Just because I sit on the front row in every class, and study every night, even on weekends, everyone thinks I'm a square. What can I do to change their minds.

Square

Dear Square,
Try nailing one foot to the floor and running in circles.

Chemistry Blues

Sing a song of sulphur
Beaker full of lime,
Four and twenty test tubes
Breaking all the time.
When the cork is lifted
The fumes begin to reek
Isn't it an awful mess
To clean up twice a week?

Quite a variety!!! Chevrolet offers 43 models for '64

For 1964, the Chevrolet Motor Division will offer a total of 43 models in five separate passenger car lines. Each line is distinguishable by its own styling and wheelbase. Above, reading down: the 18-inch wheelbase Chevy II Nova 4-Door Sedan; 110-inch wheelbase Chevy II Nova 4-Door Sedan; the newest car in the Chevrolet family—the

Corvair — virtually certain of setting an all-time sales mark in 1963 — intends to continue this success in 1964 by offering the widest choice of automobiles in its history.

Introduced in Chevrolet dealerships on Thursday, September 26, will be 43 new models in five distinct sizes. This is ten more models than Chevrolet offered for 1963 and the greatest number the division has ever offered in a single year.

Included will be the industry's only all-new car for 1964 — the Chevelle. This much discussed combination of beauty, quality, performance and distinction is sized between the regular Chevrolet and Chevy II. All Chevrolet's five lines of 1964 cars have styling and engineering improvements which — teamed with the increase in models and options — allow the customer to tailor a car to his particular requirements as never before.

REGULAR CHEVROLETS — Extensive new styling is evident in the regular Chevrolet line, again stressing the big car luxury which has made it so popular.

A Super Sport series featuring bucket seats and special interior and exterior appointments in both a convertible and sport coupe has been added for 1964, bringing the total models of regular Chevrolets to 15 in four series.

The 1964 Chevrolet models feature new interior trim styling and materials yet retain the built-in comfort, convenience, luxury and durability traditional with Body by Fisher.

All of Chevrolet's advanced 118 inch wheelbase chassis features are continued for 1964, including X-built Safety-Gird frame, Full Coil suspension, self adjusting Safety-Master brakes, luxury and durability traditional with Delcotron generator and long-life exhaust system.

Seven engines ranging from 140 to 425 horsepower will be offered. Optional for the first time in 1964 on 400 cubic inch engines is a full transistor ignition system. Four transmissions will be offered and the four-speed Synchro-Mesh includes refinements for smoother shifting and greater durability.

'64 Jet-smooth Luxury CHEVROLET

Besides looks, ride and power - what's so special about it?
(It's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do. And underlying it all, the pleasant feel that '64 Chevrolet's Jet-smooth ride. Matter of fact, the most noticeable difference between this new 1964 Chevrolet and the high-priced cars is the price itself. Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

A choice of seven engines, no less, with output all the way up to 425 hp.* And a choice of four smooth transmissions to go with them.

See five entirely different lines of cars at your Chevrolet Showroom — CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

role's 283 cubic inch 195 horse power model, the customer may choose either standard three-speed, optional four-speed or Powerglide transmissions.

Two six-cylinder engines at 120 and 155 horsepower will be available in all Chevy II models. The economical four-cylinder 90 horsepower engine will continue to be available in the two and four-door sedans of the 100 series. The CORVAIR — Entering its fifth year, the Corvair will continue its important place in the Chevrolet lineup by appealing to a group of buyers who like something sportier and less conventional in a small car.

A Monza Spider series comprised of a top-of-the-line convertible and club coupe is added for 1964, bringing the total models to seven in four series — the Monza Spider, Monza, 700 and 500 series, plus two Greenbrier Sports Wagons.

Corvair styling for 1964 retains the clean, classic theme with new identification through emblems and ornamentation. All models except Greenbrier feature a slender new front body molding with colorful plastic emblem inserts. The word "Corvair" extends across luggage and engine compartment lids in bright block letters.

All Corvair models will feature a new larger displacement 164 cubic inch engine that delivers higher performance and top economy. This new engine retains the six-cylinder air-cooled design. Horsepower ranges from 95 to 110 to 150.

Improved brakes and a new suspension design will enhance handling characteristics of all Corvair models.
